

THE ENTREPRENEUR DATABASE

This is a database of individuals at home addresses, where it has been identified that they have set up their own business in fast moving innovative markets with high growth potential.

These people are mainly aged between 20 and 40 with current annual incomes in excess of £35,000. To ensure the validity of this database all records are verified against the Electoral Roll and data held at Companies House and maintained by leading bureau software. Business Addresses are filtered out.
